Basic Voter Registration Drive Requirements

Voter registration is fundamental to the election process and the decision to conduct a voter registration drive is important and must be taken seriously. Assisting qualified citizens in the registration process is the first step in participating in the democratic process and you are commended for your efforts. Conducting a voter registration drive carries with it certain responsibilities as follows:

1. Read the **NC Voter Registration Application Instructions** on the back of the *Voter Registration Form* before beginning the drive. If you have any questions about the instructions, contact the Wake County Board of Elections.

2. Provide individuals with **current**, state-approved *Voter Registration Forms*.

3. **DO NOT** coerce, threaten, or intimidate any person engaged in the registration or voting process.

4. **DO NOT** alter any information placed on the form without the permission of the person registering.

5. If assisting a person in filling out the form, write information on the form that accurately reflects the intent and direction of the person.

6. **DO NOT** give a partially completed registration form to a person.

7. Give registrants the option to hand-deliver or mail their registration forms to the Wake County Board of Elections.

8. Return **ALL** completed applications to the Wake County Board of Elections within 5 days of completing the Registration Drive and no later than 5:00 p.m. on the 25th day before a primary or election.

9. Provide voters with additional forms to take home if requested. The Wake County Board of Elections strives for 100% registration of all eligible citizens. We appreciate your efforts to register eligible voters and help update current voter registration lists by obtaining updated information from registered voters.

VOTER REGISTRATION FORMS

Voter Registration Forms may be obtained free of charge at either the Wake County Board of Elections office, located at 1200 N. New Hope Rd., Raleigh, NC 27610, or the NC State Board of Elections at 430 N. Salisbury St., Raleigh, NC 27603. These forms are coded to collect statistics required by federal law. The forms required for voter registration drives are coded “17”.

The *Voter Registration Form* serves two purposes:

- It allows new registrants to apply for registration.
- It allows current registrants to update their name, party affiliation, address, or other changes.

Eligibility Requirements

A person must meet all the requirements to register to vote. Instruct each voter to read the eligibility requirements.

I attest, under <u>penalty of perjury</u>, that in addition to having read and understood the contents of this form, that:

- I am a United States citizen, as indicated above;
- I am at least 18 years of age, or will be by the date of the general election *(16 & 17-year-olds may pre-register)*;
- I shall have been a resident of North Carolina, this county, and precinct for 30 days before the election in which I intend to vote;
- I will not vote in any other county or state after submission of this form and if I am registered elsewhere, I am canceling that registration at this time; and
- I have not been convicted of a felony, or if so, I have completed my sentence (including any probation, post-release supervision, or parole).

Voter registration forms must be submitted by the registration deadline **AND** delivered in person to the Wake County Board of Elections office by 5:00 p.m. on the 25th day before the election.

If individuals or groups fail to submit voter registration forms to the Wake County Board of Elections before the deadline, the applications will not be processed until after the upcoming election.

Ultimately, it is the duty of the Wake County Board of Elections to determine an individual's eligibility to register to vote.

After a voter's form is processed, a voter registration card will be mailed which includes their name, address, assigned polling place and jurisdictions. If any information on the card needs to be changed or is incorrect, the voter should make the changes in the space provided on the back of the card and return it to the Wake County Board of Elections.

Overview of Application

The *Voter Registration Form* serves two purposes:

- It allows new voters to register to vote.
- It allows current voters to update their name, party affiliation, address, or make other changes.

The form consists of three parts: Required Question, Application to Register to Vote, and Cancellation of Previous Registration.

Required Question: **CITIZENSHIP** question in section 1 **MUST** be answered.

Application to Register to Vote: New or updated registration information.

Cancellation of Previous Registration: To be completed when canceling a former registration in another county or state.

Requesting Additional Forms

The Wake County Board of Elections office can give you **up to 300** *Voter Registration Forms.* For additional forms, visit https://www.ncsbe.gov/registering/hosting-voter-registration-drives/voter-registration-drive-supplies-request-form.

When conducting voter registration drives, please note the Certain Acts Declared Misdemeanors Statute N.C.G.S. § 163-274(a). Persons who conduct voter registration drives must bear in mind that all voter registrations must be signed by the voter who is registering. Unsigned registrations will not be processed.

If you need less than 100 voter registration applications, please make your request by contacting your local board of elections. To request more than 100 voter registration applications, enter your details and the number of forms needed in the request form below. Please request only a reasonable number that you believe you will need. Also, keep in mind:

- If you do not need a particular form, please leave “none” selected.
- Forms are packaged in quantities of 100. If you need 250 forms, round the amount up or down to 200 or 300 forms.
- If you would like to order more than 5,000 forms, you should first request permission from the NC State Board of Elections. Send your request to nvra@ncsbe.gov.
