

**WAKE COUNTY BOARD OF ELECTIONS
FILE/FIELD DESCRIPTION**

[Return](#)

Download File Contents

All the Voter Data download files are stored in the same format. The format is compatible with many application programs and can be easily imported and analyzed using programs such as Microsoft Access®. The download files have these characteristics:

- Comma-delimited text files and data values enclosed in quotation marks ("").
- Field names are stored as the first record.
- All of the data is stored in upper case text.
- The records are sorted ascending by the Voter Registration Number.

A sample download file might contain lines something like this:

```
"VoterRegistrationNumber","LastName","FirstName","MiddleName","NameSuffix"...
"0000232342","FLINTSTONE","FRED","JR","123","S","GRANITE","DR"...
```
