Notes:

Optimist Community Center	In addition to Pickleball and Volleyball, which cannot be moved to other facilities within Optimist Community Center, there are various preschool sports programs and fitness classes that would be moved. This creates a scenario where the courses are weather dependent or limited in class size due to using a smaller space. At this time, construction continues on the new playground area at Optimist Community Center
Roberts Park Community Center	They have enough available space, but are concerned with using their largest space during this time frame, as it will limit the number of participants they can serve in other , Senior Programs (Tuesday, 10a-1p) programs. Tot Time 10:30am-12:30pm, TOPS 2-6pm, CAPS 3-6pm,
Green Road	Room #4 has multiple programs and rentals that would require a lot of schedule changes. Room #2 can be adjusted to accommodate. October 29th is a big special event that takes over the entire facility. Will host a Teacher Workday program on 10/31/2018.
Anne Gordon	Losing their large room for almost a month is very challenging with programs scheduled consistently from 9:15am to 3pm daily
Abbotts Creek	Hosting a Teacher Workday program on 10/31/18. One rental on 11/6 will present a challenge - would need voting equipment removed on 11/5 in order to flip the room for rental on 11/6.
