Wake County Board of Elections
Greg Flynn, Chairman
PO Box 695
Raleigh, NC 27602

Dear Chairman Flynn:

I write to relay to you a desire expressed by some residents of Apex, and some members of our Town Council, to see an Early Voting site located in our town for the coming general election. As you are aware, the Board of Elections had used our Community Center as an Early Voting site in Presidential Election years.

I wanted you to be aware that our staff is willing to work with your professional staff to have an Early Voting site in the Apex Community Center for General Elections. Having a site here would enable our residents to participate in early voting without the need to go to Holly Springs or Cary. There may be other public sites in Apex suitable for Early Voting, including the County's library on Shepherds Vineyard Drive.

I thank you in advance for your consideration.

Respectfully,

Lance Olive, Mayor
