WAKE COUNTY NORTH CAROLINA | Board of Elections

Last-Minute Absentee Voter List

This list contains names of voters whose Absentee Ballot was approved by the Board of Elections on Monday, November 2. BOE staff will call your polling place on Tuesday morning to provide the names of these voters, but it is preferred that you access this list on your smartphone by going to www.WakePrecinctOfficials.com and complete the tasks below prior to opening the polls on Tuesday. If your precinct is not on this list, it means that no voters in your precinct had an Absentee Ballot approved on Monday, November 2.

INSTRUCTIONS:
1. Go to www.WakePrecinctOfficials.com and click on the Last-Minute Absentee List button. Find the voters listed for your precinct. Precinct numbers are printed in the header above the voter names.
2. Write down the names for the last-minute Absentee voters for your precinct on a piece of paper.
3. Take out your pollbooks and use the pink highlighter to mark a big "A" on each voter's pollbook label.
4. Copy the names down on the last page of the Absentee List you posted in a public loaction.
5. Give the handwritten list to the Help Table. The voters you wrote down will not be flagged as "Already Voted" in VAST.
6. When the BOE calls on Election Day morning, notify the caller that you already copied down your precinct's last-minute Absentee voters and have marked the pollbook.

IF you choose to print this list and bring it with you on Election Day, please do not print the whole list. You need to print only the page containing your precinct.
