- 11 x 17 (B) Landscape / Portrait = \$3
- 17 x 22 (C) Landscape / Portrait = \$5
- 22 x 34 (D) Landscape / Portrait = \$10
- 34 x 44 (E) Landscape / Portrait = \$10

- Base Map (Major Roads)
- Corporate Limits and Planning Jurisdictions (separately or together)
- Base Map with Index Grid
- Census Tracts
- ZIP Codes
- Townships
- Electoral Precincts
- NC Senate Districts
- NC House Districts
- Board of Education Districts
- School Locations
- Board of Commissioners Districts
- Zoning

## Special Projects

Specialized maps and reports that require the use of additional software and/or additional staff time than the services described above will be billed to the customer at a rate of \$30/hour.

## Customized Maps and Reports

The products below are produced through interaction between GIS staff and the customer, using a GIS terminal in the GIS Customer Service Area.

- 8.5 x 11 (A) Landscape / Portrait = \$2
- 11 x 17 (B) Landscape / Portrait = \$3
- 17 x 22 (C) Landscape / Portrait = \$5
- 22 x 34 (D) Landscape / Portrait = \$10
- 34 x 44 (E) Landscape / Portrait = \$10

Customers identify the geographic area they need and select from a limited number of map features available. Maps can be plotted to scale.

## PDF Maps

There are several PDF Maps available free of charge for printing and/or download: <http://www.wakegov.com/gis/Pages/maps.aspx>

PDF Maps are also available from the GIS Customer Service Department. Pricing is based on the map layout requested; standard layouts follow the hard copy pricing. Specialized layouts that require additional staff time will be billed at a rate of \$30/hour.
