## Provisional Voter Instructions (How to Check the Status of Your Provisional Vote)

You were required to vote a provisional ballot today because of the following reason(s):

- I did not have a photo ID to present, and I completed a Photo ID Exception Form. If you completed a Photo ID Exception Form and are otherwise eligible to vote, the County Board of Elections will count your ballot if you truthfully completed that form. No further action is required. If there is a reason to question whether your form is accurate, the County Board will contact you to address that issue.
- I did not have my photo ID with me when voting, and I plan to bring it to the county board of elections. I did not complete a Photo ID Exception Form. You must bring acceptable photo ID in person to the County Board of Elections by 5 p.m. on the day before canvass to have your ballot counted.
- I was required to provide a HAVA ID and was not able to provide one when voting. If you were required to vote a provisional ballot because you did not show acceptable HAVA identification, you must provide this identification to the County Board of Elections no later than 5 p.m. on the day before canvass by mail, fax, email, or in person. It would be helpful if you include this document.
- All other provisional reasons: Your provisional ballot application will be researched to determine whether you are eligible to vote.

The County Board of Elections will meet to count all eligible provisional ballots before the election is final.

You may check the status of your provisional application and ballot no earlier than ten (10) days after election day using one of the following methods:

<b>ONLINE</b>	<p><b>www.ncsbe.gov</b> Select "Check Your Provisional Vote"</p> <p>Remember to Wait 10 Days</p>	<p>You will be asked for the following:</p> <ul style="list-style-type: none"> <li>• County</li> <li>• Election</li> <li>• Birth Date</li> <li>• Personal Identification Number (PIN)</li> </ul> <p style="text-align: center;">▼ YOUR PIN ▼</p> <div style="border: 1px solid black; height: 40px; width: 100%;"></div> <p style="text-align: center;"><b>Protect your PIN!</b></p>
