- Encouraged to bring laptops to each meeting

BUNCOMBE COUNTY

AKM / IT

- Why do you have a laptop?
  - Easier to access BC email both at home and here, separate machine so if there is a records request its clearly separated from personal stuff, makes joining remotely easier since you have access to the same Teams Live we do,
- Encouraged **not** to use personal devices (or accounts?) for Board of Elections' business
  - When you work for the county, any business done for the county is public records. By using personal devices or accounts it confuses the line and could open up those devices and accounts to public records requests.
- Encouraged to bring laptops to each meeting
  - Look up memos and laws during meeting
  - Can only change password on county network which happens every 90 days
- Introduce Cata and Mark

# Questions?

BUNCOMBE COUNTY

AKM/ IT

AKM

- Intro into being recorded, camera, etc
- Highly preferred to be in person
- But in the never event you're virtual AK explain
- Never absentee though

AKM/ Devin

- Open Teams – log in
- When joining remotely it is important to go through the link Devin sends as that is what allows you to be heard. If you join with the link on our website, you cannot unmute. This is also why we ask you not to forward the email invite.
- The chat can be used by audience members, which is how they ask questions if virtual
- By joining through link Devin sends there is also record you joined
- If you have a conflict with a meeting please let Jake and AK know

Things to mention:

- All meetings are recorded and live streamed
- Recordings typically start a few minutes before a meeting begins. Usually, the sound is muted until the chair calls the meeting to order. But you may not know exactly when that switches. Please keep in mind that whatever you say in the board room could be recorded and during meetings will be recorded.
  - In that vein, please remember to speak into the microphone so the **public at home can hear**. And if possible, please have the public do the same. If they are not speaking into a microphone, please repeat the gist of the question so the public at home can understand.
  - In addition to us recording, the media is always allowed with no warning.

## AKM

- Hand out draft schedule
- How many of you have looked at this?
- We created this to help everyone understand the time commitment being on the board it
- This is a draft schedule; it will not be official until you (the Board) votes on it in August
  - August 1<sup>st</sup>, present Board schedule, August 22 vote on schedule. 48 hour notice to add or cancel meetings ??
  - This is a draft schedule we have laid out through January 2025. It gives a very good estimation of what the next couple of years will look like based on dates mandated by law and past experience.
  - The peach color lines on the schedule are dates of interest for the Board, but attendance is not required
- Meeting times:
  - Meetings times vary depending on what business there is to occur, how many absentee ballots or provisional ballots we have, if we have full Board attendance, etc. Absentee meetings in particular are likely to be longer than other meetings. Looking at the minutes for 2022, the shortest meeting was 12 minutes (an emergency meeting) and the longest one (excluding Election Day) was 6 hours and 45 minutes including the dinner break.
  - Corinne will be going over Election Day in more detail a little bit later
- If you know of any conflicts you have, please let Jake and I know ASAP
- A reminder that while some meetings can be attended virtually, you cannot attend absentee meetings virtually
- Show Training dates
  - You are welcome to attend any of the trainings but if you do please let AK know so we can make sure Morgan know and that there is room. Etc
- In case of a run off, there would be a 2<sup>nd</sup> primary - two possibilities listed on last page
  - No federal offices: April 23
  - Federal offices: May 14th

AKM

- Your first official meeting is in one week! On Tuesday August 1<sup>st</sup> at 3:30pm
- On the screen is what the agenda looks like. This is the format you can expect to see the agendas. I try to send them out as soon as I have them.
- You, and the public, can also find them on our website, which Corinne will show you how to do later
- Normally on agenda you will see
  - Welcome of Visitors
  - Minutes
  - Office Updates
  - Next Meeting Date
  - Everything in between is more meeting specific. If you have an item you want added, speak with Jake
- Careful not to do any business today

## AKM (CMD pipe in)

- This is the first in person conference the State Board is hosting since 2020
- As a new member you are required to attend one within in 6 months of initial appointment and then another one within a year, which in this case would be August 2024. But we find the conferences important, so we offered to all once a year
- What is the conference good for? Learning more about elections and election related topics, meeting people from other counties, helps towards certification program
- Go over tentative agenda
  - Must go the board member on Monday then you may roam free
  - ExpressVote will be demonstrated there
- Run through information in email:
  - Hotels and conference registration are covered. They are also the same location!
  - Embassy Suites by Hilton Charlotte, Concord Golf Resort & Spa (about 2 hr 15 min away)
  - Arrive on Sunday the 13<sup>th</sup>, leave on Tuesday the 15<sup>th</sup> (Jake's birthday!)

# Questions?

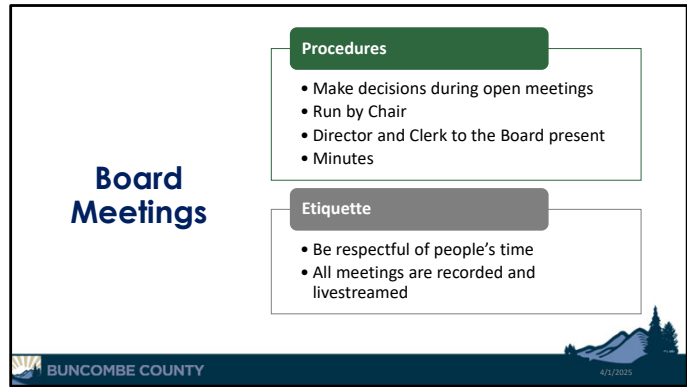

BUNCOMBE COUNTY

4/1/2025

AKM

- Before we move on into Board meeting procedures and types, any questions?

## AKM (Corinne chime in)

- Procedures
  - Each board meeting is run by the Chair of the Board, in this case, run by Jake
  - In addition to the board, the Director and Clerk to the Board are present at every meeting. As is an Elections Tech Specialist (Devin) and Angelica from CAPE and any staff presenting (basically everyone but Morgan and warehouse manager). You may see Neggy and Karen filling in for Corinne and AK
  - Minutes
    - Minutes are for recording the actions that the board takes. Not a court reporter. Just actions.
    - AK will be at the meetings taking minutes and will send out a draft to the board
    - Send edits to AK
    - Vote on at next meeting
- Etiquette
  - Be respectful of people's time
    - Arrive on time – the Board Room will open 15 minutes prior to each meeting but can be opened earlier if communicated to the Clerk of the Board.
    - Give yourself time to make coffee, chat, get settled, logged in, etc
    - Some meetings go very long so starting on time and having everyone present goes a long way to help keep things moving.
  - All meetings are recorded and live streamed
  - Recordings typically start a few minutes before a meeting begins. Usually, the sound is muted until the chair calls the meeting to order. But please keep in mind that whatever you say in the board room could be recorded and during meetings will be recorded.
    - In that vein, please remember to speak into the microphone so the **public at home can hear**. And if possible, please have the public do the same. If they are not speaking into a microphone, please repeat the gist of the question so the public at home can understand.
    - In addition to us recording, the media is always allowed with no warning.
  - **Jake** is there anything you want to add?
